

KELSTON LEADERSHIP PROGRAMME: SKI TRIP 2011-12

As part of the Kelston Leadership Programme we will be taking a group of participants on a special action-packed ski trip where we will be highlighting leadership skills. Places are limited and the trip is open to all over 14 who join the programme.

Where? Staying in the picturesque village of **LLIVIA** just inside Spain on the French border, with skiing in the French resort of **Porte-Puymorens**.

When? The trip will take place from the **27th December to the 2nd January**, allowing for 5 complete days on the ski slopes.

What? Besides the obvious (skiing), those who wish to go should enrol in the Kelston Leadership Programme, which is an opportunity to develop leadership skills through training sessions and helping out in the club. Each participant will take responsibility for one aspect of organising the trip. During the time away there will be practical, hands-on experience on how to both run a ski trip and react to issues which arise during such activities.

Who? For complete beginners or experienced skiers over the age of 14.

How much? The total cost of the trip is **£425**. This includes accommodation, travel, insurance, ski passes and rental of skis and boots.

A place can be reserved once accepted on the Leadership Programme by paying a deposit of £100. Full payment will be due on December 1st, unless by special arrangement.
